

Paraorchestra Musician Callout: Guidance for Applying via Video

Format

Please submit your video as an AVI, WMV, MOV, or MP4. If that doesn't make much sense to you, don't worry - it is likely that any file format created on your device will be accessible to us. We will check your video when we receive it and let you know if we have any issues opening or viewing it.

Please keep your video to a maximum of 10 minutes.

Submitting your video application

Instead you can:

- Use a large file transferring service such as [WeTransfer](#) or [WeSendIt](#)

- Share via a shared drive such as Google Drive or Dropbox
- Host privately on YouTube or Vimeo and send us the link in your supporting email
